"You are acquainted with the plainter of form. "No, sir," replied the unhappy defendant. "I merely lived with that woman seven years as her husband."

"Have you given the new housemaid "No; and why should I?" "Huh?"
"If I tell her nothing she's bound to
something I want."

FEEDING CORN TO RATS!!!

Read the Government statistics on the quantity of corn that is destroyed by RATS every year. A great quantity of that which they do not actually eat they render useless by running over it.

Rats are known to carry many kinds of diseases - hog cholera, foot and mouth disease and many others. You run a great risk in feeding to your hogs corn over which rats have been running.

Save your corn, hogs and family by storing your corn in a Securo Metal - Rat proof, fireproof, weather-proof, Corn Crib.

Write for prices and further information.
